AGENDA ITEM: 14.11.04.03

Please refer to the attached Actual Budget Variance Report for the period ending October 20, 2014. I have highlighted lines in red for your attention.

Revenue Variance

Taxation Residential: This account is under budget by \$3,719 due to assessment appeals being greater than budgeted.

Power Corp HST Rebate: This account is under budget by \$4,236. The grant amount was not known at the time of budget approval.

Deed Transfer Tax: We have received 5 months of payments and are currently \$65,546 under budget. I am projecting this account to be \$35,000 under budget for the year.

Planning: We have received 5 months of revenue from the Town of Bridgetown and the Town of Annapolis Royal and have met the revenue projection for the year. Billings to Bridgetown have increased due to increased planning activity before the dissolution. I am projecting this account to be \$10,000 over budget for the year.

WCB Recoveries: This account is over budget by \$6,208 due to a staff member off on Workers Compensation.

Provincial Grant-Recreation: This account if over budget by \$5,000 due to a grant being applied for and received after the budget approval.

Expenditure Variance

Financial Legal: This account is currently \$17,730 under budget because of an unbudgeted insurance payment. However, there were court case costs incurred that were not included in the budget. I am projecting this account to be \$3,000 under budget for the year.

General Government Misc: This account will be over budget by a maximum of \$7,500 for the Governance and Boundary Review and the Strategic Planning.

Animal and Pest Control: This account will be over budget, due to increased billings from Annapolis County.

Public Works Workshops: This account is currently \$2,545 over budget and I am projecting another \$600 to be spent. Furniture and supplies for the new office building contributed to this account being over.

Roads and Streets Salary: This account will be under budget due to the resignation of one employee. However, the extra money will be reallocated to wage accounts to cover the term position for the Public Works Foreman and casual help for snow removal.

Planning Admin-Wages: This account is currently \$865 over budget and I am project another \$3,135 to be spent. However, this increased expense is offset by increased revenue from the Town of Bridgetown and the Town of Annapolis Royal.

Capital Equipment Public Works and Recreation: These accounts will be under budget by \$6,429. The Director of Public Works has determined the plow for the mower to not be a practical solution and the Recreation Facilities Manager has discovered that the compost tea brewer is not a financially viable solution for fertilizer.

Regional Industrial Commission: This account will be under budget by \$15,980 due to the fact that the expense for 2013/14 Annapolis Digby Economic Association was not incurred and is therefore applied as a credit to current year expenses.

Other revenue and expenditure accounts appear to be close to being within budget. Both revenue and expenses are projected to be lower than budgeted and I am anticipating the Town will break even.
